KEEPING THE LEGEND ALIVE!

## STURGEON CONSERVATION TAGGING DERBY

**ELEVATE YOUR BOAT TEAM EXPERIENCE IN THE ULTIMATE WAY!**

## EVERYONE EVERYWHERE

In partnership with the Rick Hansen Foundation Accessible Outdoors Program, 'Everyone Everywhere' is a unique custom accessible vessel, that allows up to six guests while still fishing the Derby's 4-rod competition format.

Thanks to Rick Hansen's vision and determination to remove barriers for people with disabilities to enjoy the outdoors and contribute to conservation, this vessel has innovative and unique accessibility features including:

ramps, scissor lifts, speech to text technology, specialized headsets, adaptive fishing rods, an accessible washroom, and more!

There are a limited number of competition days available aboard the 'Everyone Everywhere' Vessel, and they will be offered on a first-inquiry basis to registered derby teams.
